Dear Sir:

I am sorry that I have taken such a long time to answer your letter; however, I have been on some extensive travels.

In regards to your request concerning the combination "DD 19106", I have never read of or know of any American or Soviet intelligence personnel who have utilized this number.

I'm sorry that I am unable to contribute to your project and hope that you are able to answer this question from other sources.

Sincerely,
